

Objective

To bring my skills, knowledge, and experience to a team of passionate people and creative, engaging projects.

Education

KEAN UNIVERSITY | FINE ARTS

- Related coursework: Two Dimensional Art, Color Theory, Painting, Computer Art, Drawing, Art History.

Skills & Abilities

ART

A natural artist, I honed my skills by studying art at Kean University. I worked in a variety of mediums including acrylic, oil, pencil, watercolor, and digital/computer art. I'm always looking to expand my technique by learning and developing other art styles. Well versed in Adobe Creative Suite and Procreate.

TEAMWORK

Professionally, as well as in my personal creative endeavors, I've always excelled at being part of excellent teams. My clear communication, dedication to achieving goals, and positive attitude help elevate team efforts.

CRITICAL PROBLEM SOLVING

I always strive to put my best work forward, so I appreciate constructive criticism and direction that can help me improve and ultimately create the best final product. I can also look at my own work with a critical eye and adjust as necessary.
